Dear Patient or Responsible Party:

Our physicians cared for the patient named above during a recent hospital stay. Our group bills separately from the hospital, so you may also receive statements from the hospital for its own services.

We sent a claim for our services to the insurance plan on file, and the plan did not accept it. The plan reports that it cannot match the patient to the member ID or coverage we have on record.

WHAT TO DO: Please check the insurance details we have for the patient. If the coverage or member ID has changed, send the new details through www.cradleview.example/insuranceform or call us at (888) 555-0107.

Insurance plans accept claims only for a limited time, so a quick reply helps. If we do not receive updated coverage, or the plan does not pay, within 30 days of the date of this letter, the balance shown above becomes your responsibility.

Sincerely,
Patient Accounts Team

*NOTE: A payment made in the last 14 days may not be shown in the balance above.
